

- **Name of Mpulse: IGNITE**

IGNITE, an annual event, serves as a platform for students to flaunt their technical skills and ignite their creative flair. Our core focus is to cultivate an environment that fuels both learning and networking, all while ensuring a hearty dose of fun. Our ultimate aim is to provide a platform for companies to connect with the up-and-coming wave of engineers, developers, and innovators, affording them the opportunity to showcase their products and services.

### **IGNITE Inauguration**

20 March 2023

The inauguration marked the official start of the event, sparking enthusiasm among all in presence.

## Activity Description:

### 1. Bug Bounty

20<sup>th</sup> March 2023

Bug Bounty is a competition held by Ignite where students search for and rectify errors in software code to improve its quality and reliability.

### 2. DesignX

20<sup>th</sup> March 2023

Design X, a competition where students are challenged to craft UI/UX solutions for given design questions or scenarios by using different tools.

### 3. Escape Room

21<sup>st</sup> March 2023

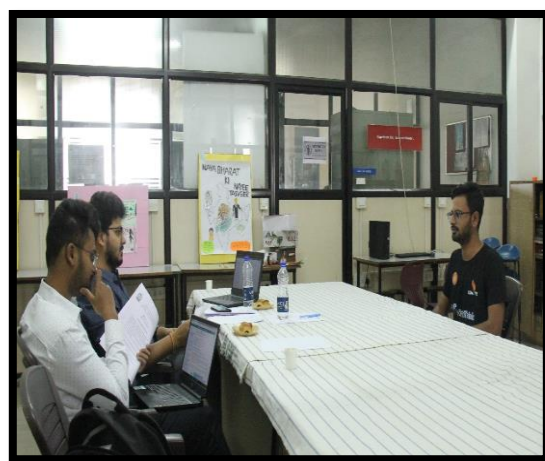

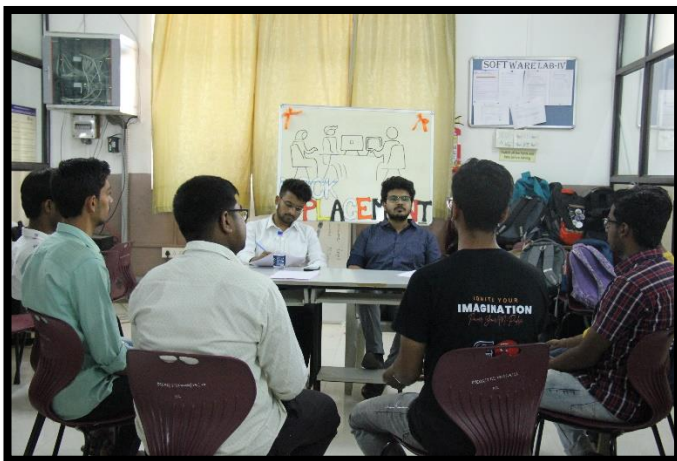

Escape room is an interactive fun challenge where students collaborate to solve puzzles, uncover clues, and escape from a themed room within a specified timeframe.

#### 4. Mock Placements

21<sup>st</sup> March 2023

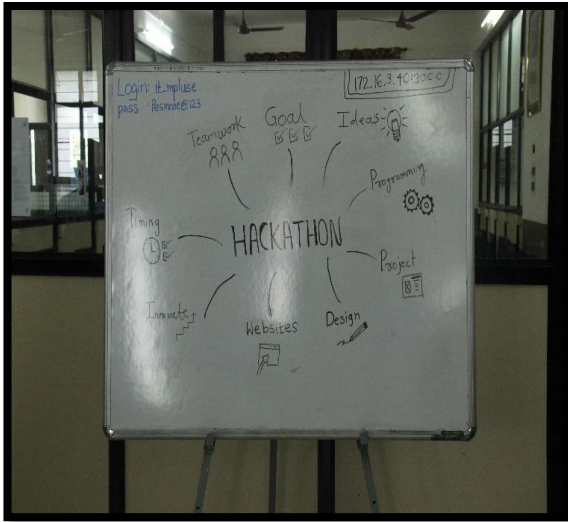

job placement activity organized to help students practice and prepare for actual job interviews and recruitment processes.

## 5.Hackathon

21<sup>st</sup> March 2023

A hackathon is a focused, time-bound competition where students come together to collaboratively develop software, solve problems and create innovative projects.

## 6.Prize Distribution

21<sup>st</sup> March 2023

As the prize distribution ceremony unfolded, a sense of accomplishment and pride filled the room, honoring the hard work and talent of the deserving recipients
