

Dear Sir/Madam,

Warm Greetings from Progressive Education Society's Modern College of Engineering!

It gives us immense pleasure to announce that, Department of Electronics and Telecommunication, **PES's Modern College of Engineering, Pune** is organizing an AICTE ATAL sponsored one week **OFFLINE Faculty Development Programme (FDP)** on **"Emerging Technologies in 5G Communication and Beyond"**.

Date: **4th December to 9th December 2023**

- No registration fees
- E-certificates will be provided to all participants.
- Attendance, feedback, and qualifying in the quiz are mandatory

Key Features:

- Experts from Industry and renowned Institute.
- Hands on Sessions on LabVIEW and 5G modeling.
- Industrial Visit.

Registration Steps:

Step 1: Go to the link:

<https://atalacademy.aicte-india.org/signup>

Step 2: Sign up and register as a participant → Fill in your details

Step 3: Click on General Details → Fill your details.

Please keep the scanned copy of your I-card and NOC/Permission letter for uploading.

Link for permission letter:-

https://drive.google.com/file/d/1PzTi6_oVNonmzad75m8gbA7antEgm9N5/view?usp=sharing

Step 4: Click on "FDPs", select Month "**December**", select FDP type "**Technical**".

Step 5: Scroll on the webpage and identify the FDP "**Emerging Technologies in 5G Communication and Beyond**" from 4th

December to 9th December, college name PROGRESSIVE EDUCATION SOCIETY'S MODERN COLLEGE OF ENGINEERING, PUNE

Step 6: Apply for the FDP

Now, a message will pop up “Are you sure you want to apply?”, select “**Confirm**” then you have successfully applied for the FDP.

You can see the same in the “**Applied FDPs**” in the left panel after your name is approved by the coordinator.

We request you to **kindly circulate this brochure to your colleagues, Faculty Members, Research Scholars, people interested** in this field and encourage them to participate in this FDP.

After confirmation of the FDP, please join the whatsapp group shared below:
